**GREEN CAREERS WEEK**  
6<sup>TH</sup> - 11<sup>TH</sup> NOVEMBER 2023

We are proud to be an official partner of #GreenCareers Week.

### GREEN CAREERS WEEK

Green Careers Week is taking place between 6 and 11 November 2023. This is a great opportunity to provide young people with an insight into careers that specifically protect the environment and will help the UK achieve its pledge of reaching Net Zero by 2050.

A Parents' Guide to Careers Week is available, by clicking [here](#) and completing the details to receive a download.

**Green Careers Week**

Welcome

Green Careers Week is an exciting event that raises awareness, supports diversity, challenges stereotypes, and creates real opportunities for young people to have a career that will genuinely make a difference. Discover careers, roles, and career pathways that are green, career and gaining green skills.

A green career can be any job, role or occupation that contributes to preventing or reducing the environmental and social issues. It can be any industry, but all have a focus on green. Green skills are skills, attributes, values, attitudes, knowledge, and technical skills needed to support services, processes and procedures to support climate change.

Green careers are a fast growing global employment sector that creates over 100,000 new jobs every year. It's a great time to get started on your green journey. Find out more about green careers and how to get started through our resources for the future. Green careers touch into every aspect of our lives and they give people an exciting range of opportunities. They give careers and green skills suitable for everyone.

Visit the Green Careers Week Virtual Careers Fair and explore the pages to see how a range of companies are raising awareness of green careers through activity resources, case studies, webinars, videos, events and employment information.
