

GCSE GEOGRAPHY

Revision Checklist (2023-24)

Paper 1 Living with the Physical Environment									
Section	Unit	Sub-Unit	Components (lessons)	Case Studies (grade 7-9)	Studied	Revision Session	Textbook	Seneca Learning	GCSE Pod
A	o The Challenge of Natural Hazards	o Natural Hazards	o What are natural hazards?		Y11 Term 1	29th February 2024	8-9	1.1	https://members.gcsepod.com/shared/podcasts/title/11186
		o Tectonic Hazards	o Plate tectonics theory o Distribution of earthquakes and volcanoes o Physical processes at plate margins o The effects of earthquakes (HIC - Japan 2011, LIC - Nepal, 2015) o Responses to earthquakes (HIC - Japan 2011, LIC - Nepal, 2015) o Living with risks from tectonic hazards o Reducing the risk from tectonic hazards	Earthquake in a High Income Country (HIC) Japan, 2011 Earthquake in a Low Income Country (LIC) Nepal, 2015	Y11 Term 2	29th February 2024	10-21	1.2	https://members.gcsepod.com/shared/podcasts/title/11163 https://members.gcsepod.com/shared/podcasts/title/10607
		o Weather Hazards	o Global atmospheric circulation o Where are tropical storms formed? o The formation and structure of tropical storms o How might climate change affect tropical storms? o Typhoon Haiyan (2013) o Reducing the effects of tropical storms o Weather hazards in the UK o Extreme weather in the UK o Beast from the East (2018)	Tropical Storm Typhoon Haiyan, 2013 UK Extreme Weather Beast from the East, 2018	Y11 Term 2	7th March 2024	22-39	1.3	https://members.gcsepod.com/shared/podcasts/title/11164 https://members.gcsepod.com/shared/podcasts/title/10737
		o Climate Change	o What is the evidence for climate change? o What are the natural causes of climate change? o What are the human causes of climate change? o Managing climate change - mitigation o Managing climate change - adaptation		Y11 Term 2	14th March 2024	40-49	1.4	https://members.gcsepod.com/shared/podcasts/title/11162
		B	o The Living World	o Ecosystems	o A small-scale UK ecosystem - freshwater pond o How does change affect ecosystems? o Global ecosystems (biomes)		Y10 Term 1	2nd November 2023	52-57
o Tropical Rainforests	o Physical characteristics of rainforests o Adaptation and biodiversity in rainforests o Causes of deforestation in Malaysia o Impacts of deforestation in Malaysia o The value of tropical rainforests o Sustainable management of tropical rainforests			Tropical Rainforest Malaysian Rainforest, Malaysia	Y10 Term 1	9th November 2023	58-67	2.2	https://members.gcsepod.com/shared/podcasts/title/11524
o Hot Deserts (Y10 23-24)	o Physical characteristics of hot deserts o Adapting to hot desert environments o Opportunities for development in hot deserts (Thar Desert) o Challenges of developing hot deserts (Thar Desert) o Causes of desertification in hot deserts o Reducing the risk of desertification in hot deserts			Hot Desert Thar Desert, India and Pakistan	Y10 Term 1		68-77	2.3	https://members.gcsepod.com/shared/podcasts/title/11523
o Cold Environments (Y11 23-24)	o Physical characteristics of cold environments o Adapting to cold environments o Opportunities for development in cold environments (Svalbard) o Challenges of development in cold environments (Svalbard) o Value of cold environments as wilderness areas o Managing cold environments (Alaska)			Cold Environment(s) Polar - Svalbard Tundra - Alaska	Y10 Term 1	16th November 2023	78-87	2.4	https://members.gcsepod.com/shared/podcasts/title/11521 https://members.gcsepod.com/shared/podcasts/title/11480

C	o Physical Landscapes in the UK	o UK Physical Landscapes	o The UK's diverse landscapes		Y10 Term 2		90-91	3.1	https://members.gcsepod.com/shared/podcasts/title/11161
		o Coastal Landscapes in the UK	o Wave types and their characteristics o Weathering and mass movement o Coastal processes o Coastal erosion landforms o Coastal deposition landforms o Managing coasts - hard engineering o Managing coasts - soft engineering o Managing coasts - managed retreat		Y10 Term 2	18th January 2024	92-113	3.2	https://members.gcsepod.com/shared/podcasts/title/11159
		o River Landscapes in the UK	o Changes in rivers and their valleys o Fluvial (river) processes o River erosion landforms o River erosion and deposition landforms o Physical and human factors affecting flood risk o Managing floods - hard engineering o Managing floods - soft engineering		Y10 Term 2 Y10 Term 3	25th January 2024	114-131	3.3	https://members.gcsepod.com/shared/podcasts/title/11160 https://members.gcsepod.com/shared/podcasts/title/11356

Paper 2 Challenges in the Human Environment

Section	Unit	Sub-Unit	Components (lessons)	Case Studies (grade 7-9)	Studied	Revision Session	Textbook	Seneca Learning	GCSE Pod
A	o Urban Issues and Challenges	o Urbanisation	o An increasingly urban world (urbanisation) o Factors affecting the rate of urbanisation		Y10 Term 1	23rd November 2023	148-151	4.1.1	https://members.gcsepod.com/shared/podcasts/title/11541
		o Urban Growth in a LIC/NEE	o Introducing Rio de Janeiro o Social opportunities in Rio o Economic opportunities in Rio o Managing the challenges of urban growth o Managing water, sanitation and energy o Social challenges - access to health and education o Challenge of social and environmental issues o Planning for Rio's urban poor	City in a Newly Emerging Economy (NEE) Rio de Janeiro, Brazil	Y10 Term 1	30th November 2023	152-163	4.1.3	
		o Urban Change in the UK	o Urban change in the UK o Introducing Newcastle upon Tyne o How can urban change create opportunities? o How can urban change create challenges? o Urban regeneration in Newcastle	City in the United Kingdom Newcastle upon Tyne	Y10 Term 2	7th December 2023	164-165	4.1.4	https://members.gcsepod.com/shared/podcasts/title/11541
		o Urban Sustainability	o Planning for urban sustainability o Sustainable traffic management strategies				186-191	4.1.8	
B	o The Changing Economic World	o Development Gap	o Our unequal world o Measuring development o The demographic transition model o Changing population structures o Causes of uneven development o Uneven development - wealth and health o Uneven development - international migration o Reducing the development gap o Reducing the gap - aid and intermediate technology o Reducing the gap - fair trade o Reducing the gap - debt relief and loans o Reducing the gap - tourism	Reducing the Development Gap Tourism in Jamaica	Y11 Term 1	1st February 2024	194-217	5.1.1-5.1.5 5.1.7	https://members.gcsepod.com/shared/podcasts/title/12091
		o Economic Development in a LIC/NEE	o Exploring Nigeria o Balancing a changing industrial structure o The impacts of transnational corporations (Shell) o Nigeria in the wider world o The impacts of international aid o Managing environmental issues o Quality of life in Nigeria	Newly Emerging Economy (NEE) Nigeria, Africa Transnational Corporation (TNC) in a NEE Shell, Niger Delta, Nigeria	Y11 Term 1	8th February 2024	218-233	5.1.10-5.1.11	https://members.gcsepod.com/shared/podcasts/title/11673

		o Changing UK Economy	<ul style="list-style-type: none"> o Changes in the UK economy o A post-industrial economy o UK science and business parks o Environmental impacts of industry o Changing rural landscapes in the UK o The UK's changing transport infrastructure o The north-south divide o The UK in the wider world 	Sustainable Industrial Development in the UK Torr Quarry, Somerset, UK	Y11 Term 1	15th February 2024	234-253	5.1.12-5.1.15	https://members.gcsepod.com/shared/podcasts/title/12091
C	o The Challenge of Resource Management	o Food, Water and Energy	<ul style="list-style-type: none"> o The global distribution of resources o Provision of food in the UK o Provision of water in the UK o Provision of energy in the UK 		Y11 Term 2 Y11 Term 3	21st March 2024	256-263	6.1	https://members.gcsepod.com/shared/podcasts/title/12121
		o Food Management	<ul style="list-style-type: none"> o Global food supply o Factors affecting food supply o Impacts of food insecurity o Increasing food supply o Sustainable food production 	Large-Scale Agricultural Development Almeria, Spain Sustainable Food Supply Rice Fish Farming, Bangladesh	Y11 Term 3	18th April 2024	264-275	6.2	https://members.gcsepod.com/shared/podcasts/title/12122 https://members.gcsepod.com/shared/podcasts/title/11789 https://members.gcsepod.com/shared/podcasts/title/11790

Paper 3 Geographical Applications

Section	Unit	Sub-Unit	Components (lessons)	Case Studies (grade 7-9)	Studied	Revision Session	Textbook	Seneca Learning	GCSE Pod
A		o Issue Evaluation	<ul style="list-style-type: none"> A resource booklet will be available twelve weeks before the date of the exam 		Y11 Term 3	2nd May 2024	302		
B	o Fieldwork	<ul style="list-style-type: none"> o Physical Fieldwork - Seaham (coastal processes) o Human Fieldwork - Newcastle (urban regeneration) 	<ul style="list-style-type: none"> o Physical Fieldwork "How has longshore drift affected the characteristics of Seaburn Beach?" o Human Fieldwork "To what extent has urban regeneration positively impacted Newcastle?" Suitable question for geographical enquiry Selecting, measuring and recording data appropriate to the chosen enquiry Selecting appropriate ways of processing and presenting fieldwork data Describing, analysing and explaining fieldwork data Reaching conclusions Evaluation of geographical enquiry 		Y10 Term 3	14th December 2023 (human fieldwork) 11th January 2024 (physical fieldwork) 25th April 2024 (unseen fieldwork)			https://members.gcsepod.com/shared/podcasts/title/13781

Geographical Skills

Skills	GCSE Pod
Graphical Skills	https://members.gcsepod.com/shared/podcasts/title/13779
Cartographic (mapping) Skills	https://members.gcsepod.com/shared/podcasts/title/13780
Statistical (maths) Skills	https://members.gcsepod.com/shared/podcasts/title/13782
