

THE SIXTH FORM at Southmoor Academy

17th March 2020

Dear Parent/Carer

As a precautionary measure, in response to unprecedented international events linked to the Covid - 19 outbreak, the Year 12/13 Progress evening on Monday 23rd March is cancelled.

To ensure you receive the same level of information regarding your child's progress in the run up to A Level exams we will:

- Send an electronic copy of your child's report via the My Ed App
- Provide a paper copy of the report which will be posted out to parents

If you have any follow up questions these can be raised by contacting the following members of staff:

Sixth Form Administration: Miss A. Penman amy.penman@southmoormat.co.uk
Pastoral Leader for Sixth Form: Ms C. Zakaidze czakaidze@southmoormat.co.uk
Director of Sixth Form: Mrs L. Bagshaw lianne.bagshaw@southmoormat.co.uk

Year 12/13 courses are on track and whilst continuing to teach in school, work will also be set on Show my Homework (<https://www.teamsatchel.com/>). We have many other communication routes open with students (email groups/Google classroom) to ensure they receive a good, quality educational experience, but the primary source will remain SMHW. Sixth Form students are expected to work independently in all circumstances – right now, this expectation will be significantly higher. The golden rule is that they should be doing the same amount of work whether they are in school or not. If they complete all work set, please contact us for further information and guidance.

Thank you for your continued support. We will make sure we communicate regularly with students, parents and carers and we endeavour to do all we can to ensure an uninterrupted learning experience; whilst at the same time making sure we comply with national guidance in relation to preventing the spread of the virus.

Yours sincerely

Mrs L. Bagshaw
Head of Sixth Form
