

Southmoor Summer School Spectacular

In July and August, using a combination of Government and school funding, we hosted our Summer School Spectacular, with a blend of academic workshops and a wide range of enrichment activities. Working with support from our dedicated team of teaching and pastoral staff and in conjunction with local partners Sunderland Community Action Group (SCAG) and Zestme, young people were given the opportunity to socialise, get active, improve their mental health and well-being and strengthen their maths and English skills.

Key Facts:

300 pupils

Years Groups 5-11

15 Days

37 % Disadvantaged Pupils
